INDEX OF 1974 ARTICLES—JANUARY-DECEMBER

MANAGEMENT

NPCA Prediction: Big Decline for Solvent-Thinned Coatings ..... Jan
Electroplated Plastics Industry Looks at New Products and Markets Jan
Will Porcelain Enameling Capitalize on Organic Shortages? ..... Jan
Progress Report on State-of-Art in UV Coating Technology ..... Feb
Tips for Conserving Materials in Finishing Wood Furniture ..... Feb
Self-Improvement and the Industry Manager ..... Mar
EPA's Preliminary Phase II Effluent Guidelines for Finishing Industry ..... Mar
A Job Shop Plater Looks at Phase II ..... Mar
How to Cut Costs by Reducing Natural Gas Consumption ..... Apr
Electropolishing Economics, Benefits and Applications ..... May
Hot Stamping—Automotive Use Soars.. May
AES Pollution Abatement Seminar..... May
EPA Adopts Phase I Plating Effluent Discharge Limits ..... May
Why Sylvania Chose Powder Coating for Light Fixtures ..... Jun
RUST—A Four-Letter Word ..... Jul
Water-Reducible Coatings Generate Great Interest at AMSURF ..... Jul
Why Control Data Converted to Water-Base Coatings ..... Aug
An Interview with General Motor's Gene Leithauser ..... Aug
EPA Hears Electroplaters' Effluent Guidelines Complaints..... Aug
Rule 66 Still The Rule After Eight Years ..... Sep
Powder Coating Potential Unlimited..... Sep
Safeguards in Designing Powder Coating Systems ..... Sep
How to Conserve Oven Heat with Higher LFL (2 parts) ..... Oct-Nov
OSHA in the Plating Plant ..... Nov
Strip Plating Future Unlimited ..... Nov
How to Eliminate Heat Leaks In Your Plant ..... Dec
EPA to Reconsider Phase I Effluent Discharge Limits ..... Dec

CLEANING/PRETREATMENT

see Custom Phosphater Expands into High-Volume Painting ..... Jan
Vapor Degreasing at NCR ..... Feb
UF for First Pretreatment Stage ..... Mar
see Eastern Products' New Coil Coating Line—Part 2 ..... Mar
Ultrasonic Cleaning Computer Parts ..... Apr
Low-Temperature Pretreatment ..... May
Ten Ways to Minimize Pollution from Pretreatment (4 parts) ..... Jun-Sep
Salt Bath Strips Tough Paint Build-Up from Conveyor Hooks ..... Oct
Degreasing at Bridgeport Brass with Methylene Chloride ..... Nov
see Deburring and Polishing Textile Knitting Needles ..... Dec
Porcelain Enamelers Study Low-Temperature Cleaning ..... Dec

FINISHING

Deere Finishes Snowmobiles with Polyurethane Enamels ..... Jan
Custom Phosphater Expands into High-Volume Painting ..... Jan
Electroplated Plastics Industry Looks at New Plating Products ..... Jan
Tips for Conserving Materials in Finishing Wood Furniture ..... Feb
Plating Plastic Grilles ..... Feb
Applying a Textured Finish to Business Machines ..... Feb
Powder Coating Photo Enlargers and Lighting Equipment ..... Feb
Coleman's New Nickel and Zinc Programmed Barrel Hoist Lines ..... Feb
PanAm Recycles Plating Rinses Via Evaporation ..... Mar
Modular UF Brings Electrocoat Savings at Tokheim ..... Mar
Ford's Second Electron Beam Curing Line for Plastics Parts ..... Mar
Versatile Line Paints 30-Ft Aluminum Extrusions ..... Apr
Big Plating Barrels Boost Hoist Line Productivity ..... Apr
Aluma-Vue Finishes Windows and Doors with Acrylic Powder ..... Apr
UV Cures Fillers and Top Coats for Wood Furniture Components ..... Apr
Powder Coating Phenolic Plastic ..... Apr
Electropolishing Economics, Benefits and Applications ..... May
Electrostatic Application of Water-Base Coatings at Singer ..... May
Three Electrocoat Tanks Prime GMC Trucks ..... May
Decorating Metal-Plated Plastics ..... May
Canadian Powder Coating Show .... May-Jun
Roller Conveyor Speeds Cleaning and Plating ..... May
Big Plater and Acid Copper Yield Pluses at Bumper Plant ..... Jun
Twin Electrocoat Lines Bring Savings and Boost Quality ..... Jun
McClintock Finishes Supermart Equipment with Nylon Powder ..... Jul
Water-Base Electrostatic Spray Brings Cost Reduction ..... Jul

Reverse Osmosis and Electroplating..... Jul
Keeping Compressed Air Clean
for Spray Painting ..... Aug
see Why Control Data Converted
to Water-Base Coating ..... Aug
AES Conference and Exhibit Report .... Aug
El Campo's Electrolytic
Coloring Repeatability ..... Sep
Job Plater Uses Dual RO Units ..... Sep
Iverson Powder Coats Bicycles
in Twenty Colors..... Sep
see Safeguards in Powder
Coating System Design ..... Sep
Peachtree Doors Get Even Finish
All Around with Electrocoating ..... Oct
Chrome Plating Exercising
Equipment at Paramount ..... Oct
Columbium Coil Cools Chrome
Plating Bath at Savings ..... Oct
Truck Wheels Get Water-Base
Aluminum-Colored Coating..... Oct
U.S. Elevator Switches
to Water-Base Coatings..... Nov
Bright Finishing Protects
Furniture from Corrosion..... Nov
Dust Pans Finished with
Water-Reducible Polyester..... Nov
SME Powder Coating Conference ..... Nov
OSHA in Plating Plant Seminar..... Nov
AES Strip Plating Seminar ..... Nov
CCA Seminar on Finishing Economics
with Clean Air Coatings..... Nov
Mustang Plastic Bumpers
Painted Electrostatically..... Dec
Wescom Finds Manual Plating
a Competitive Asset..... Dec
Robot Spray Painting in Sweden ..... Dec
Deburring and Polishing
Textile Knitting Needles..... Dec
Plastic Engineers Review
New Coating Technologies ..... Dec
Low Concentration Bath
Improves Chrome Plating ..... Dec

COIL COATING

Eastern Products' New Coil Coating
Line (2 parts) ..... Feb-Mar
Kaiser Coil Line Switches
to Water-Base Coatings..... Apr
Coil Coaters' Outlook—NCCA Report .... Jul
see How to Conserve Oven Heat
with Higher LFL (2 parts)..... Oct-Nov
Coil Coaters View '75
with Cautious Optimism..... Dec

EPA, OSHA, POLLUTION CONTROL

Pan Am Recycles Plating
Rinses Via Evaporation ..... Mar
EPA's Preliminary Phase II Effluent
Guidelines for Finishing Industry..... Mar
A Job Shop Plater Looks at Phase II..... Mar
Closed-Loop Recovery by Freezing ..... Mar
AES Pollution Abatement Seminar..... May
EPA Adopts Phase I Discharge
Guidelines for Cu, Ni, Cr and Zn..... May
Minimizing Pollution from
Pretreatment (4 parts)..... Jun-Sep
Reverse Osmosis and Electroplating..... Jul
EPA Hears Electroplaters'
Effluent Guidelines Complaints..... Aug
Zero Discharge System Features
Solvent and Aqueous Rinsing..... Aug
Rule 66 Still The Rule
—After Eight Years..... Sep
MFSA Seminar Report on OSHA
in the Plating Plant ..... Nov
EPA to Reconsider Phase I
Effluent Discharge Limits..... Dec

FINISHING TECHNOLOGY, COATING DEVELOPMENTS

The Electrostatic Application
of Water-Reducible Coatings ..... Jan
The State-of-the-Art in UV
Coating Technology ..... Feb
Closed-Loop Recovery by Freezing ..... Mar
Powder Coating Phenolic Plastic ..... Apr
Radiation Curing Conference..... Jun
New Zero Discharge System ..... Jun
Regenerative Heat Recovery Systems
Feature 80-90% Efficiency..... Oct
Recovering Metals from Waste-Water
with Corn Starch Compound..... Nov
Water-Borne Coating Developed for
Beer, Soft Drink Can Interiors..... Dec
Robot Spray Painting in Sweden ..... Dec
